

CUSTOMER SUCCESS STORY

Own Company

Post their Series B investment, Own Company saw the value in engaging with Stott and May to help them attract the dynamic sales leaders and individual contributors that would underpin their growth to 1,500+ employees and an eventual \$3BN valuation.

COMPLETED ASSIGNMENTS

SVP Sales
Regional Vice President Sales X3
Enterprise Account Executive X14
Commerical Account Executive X10
Pre-Sales Engineer X6
Director of Alliances X2

“We engaged with Stott and May to hire several individuals over an extremely short period. They have exceeded our expectations, providing us with high-quality candidates within a timeframe I have simply not seen previously.

The team has significantly outperformed the agencies that we have used in the past. Quality, speed, and execution are at the forefront of all that they do, and they have subsequently become our go-to partner (on a global scale) for technical and sales positions.”

Sam Gutman - CEO, Own Company
