

GET FIRST MOVER ADVANTAGE ON TALENT ACQUISITION

Founded in 2009, Stott and May are a specialist recruitment partner focused on helping clients hire niche talent in fiercely competitive markets. We have changed the way technology and finance recruitment is delivered - offering a premium level of service executed in tight timescales. Deep market insight and process excellence comes as standard. We believe our customers should never have to make the choice between quality of candidate and time to hire, which is why we are one of the fastest growing privately owned recruitment firms in the world.

Stott and May

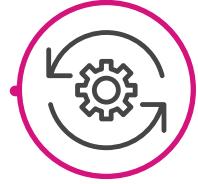

Global reach

Our team of 75 'Stotters' are helping businesses expand into new regions. Providing global coverage from our office locations in London, New York, Reading and Brighton.

Engaged staff

Externally recognised for staff engagement as a Times Top 100 small company to work for and a Lloyds National Business Awards employer of the year finalist in 2016.

Full turn key solution

A complete solution covering contract and permanent recruitment on a contingent, retained or master vendor basis offering best practices across the end-to-end hiring process.

Accelerate time to hire

All of the quality, focus and dedicated service associated with executive search delivered in timescales more aligned to contingent recruitment.

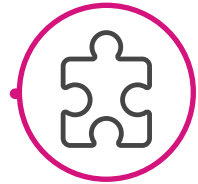

Market knowledge

Thought leaders in our industry focus areas with a proven track record of mapping out the competitive landscape to offer extensive candidate reach and rich market insight.

Scalable service

A recruitment partner that can scale to the challenge of large transformational projects. Ensuring quality is maintained, expectations are managed and timescales are met.

The perfect fit

Providing flexible and tailored solutions that align perfectly with your business challenges and commercial preferences.

TRANSFORMING ORGANISATIONS

We put the smart people into Smart Metering - the biggest national infrastructure project of our generation.

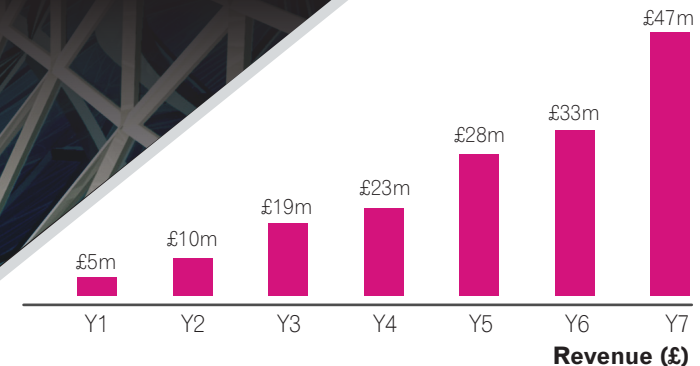

CGI

We help bleeding edge cyber security vendors exit by building out their entire regional sales and pre-sales teams.

BLUE COAT

We enable high growth technology firms to control and drive geographic expansion with regional commercial finance functions.
